

## **FROM DR. SHAWA:**

Our PTO is doing a wonderful job of supporting our school. Two projects the PTO is involved with that help raise money for our school are the coupons from Community Coffee packages and BoxTops for Education box tags available from several different food item packages and boxes. Please save these and send them to the school.

There are several businesses that contribute to schools from purchases made such as Target and Office Depot. If you know of others, please let our Front Office secretaries know.

There is another area where some of you might be able to help our school. In the past, we have had Partners in Education. If you work for a business, perhaps they might be interested in joining with HCA as a Partner in Education. If so, please let me know.

Thank you for your help in making this a great start to our 2011-2012 school year!

Yours in Christ, Dr. Shawa  
**MONOGRAM / EMBROIDERY**
