

## **FROM DR. SHAWA:**

Such a wonderful group of students this year! As a group they have been cooperative and joyful in helping the school get off to an excellent start this first six-weeks. Each one of them is so beautifully made by the Lord with so many qualities that makes them unique. We count it a sacred trust to have them in our care during a large part of the day.

I offer a special "Thank you!" to our middle school parents for your patience during our experimenting with pick-up traffic flow. It seems to be flowing smoothly now and the main goal was the safety of our students. Thank you again for your cooperation.

May our Lord continue to bless HCA!

Yours in Christ,  
Dr. Shawa

## **FROM COACH SENSLEY:**

As we go through the hustle and bustle of everyday life, we should never pass up the opportunity to show someone that "Agape Love" that God unconditionally shows each one of us.

What the world needs now is more love and compassion for one another. The Bible tells us that "what you do for the least of these, you do for me also." So let us always find time to share kind words to one another and stay focused on how blessed we already are and not how blessed we think we should be. It is my prayer that we always strive to place a smile on God's face. God placed in my spirit that He wants us to be more concerned with what He thinks about us than what others say about us.

May God continue to bless us all and may we all continue to draw others, and ourselves, closer to Him.

Prayerfully,  
Tim Sensley
